COLLECTIVE BARGAINING AGREEMENT

PREAMBLE

This Collective Bargaining Agreement is entered into between Local 73 and the County of Cook of employees covered by this Agreement (hereinafter collectively referred to as the "Employer") and Local 73 - Service Employees International Union (S.E.I.U.), AFL-CIO (hereinafter referred to as the "Union").

ARTICLE I Recognition

Section 1.1 Representative Unit:

The Employer recognizes the Union as the sole and exclusive representative for all employees of the Employer in the job classifications set forth in Appendix A of this Agreement and excluding all confidential employees, technical, professionals, supervisors, managers, seasonal employees, all industrial relations and personnel department employees.

The term "Department" when used in this Agreement shall be understood as referring to the following:

- Sheriff's Executive Office (Executive, Personnel & Finance)
- Custodian
- Youth Services
- Court Services
- Police Department
- Department of Corrections
- Elevator Operators
- Window Washers

Section 1.2 Union Membership:

The Employer does not object to Union membership by its employees, and believes that certain benefits may inure from such membership. For the purpose of this Section, an employee shall be considered to be a member of the Union if he/she timely tenders the dues and initiation fee required as a condition of membership.

Section 1.3 Check off:

1. With respect to any employee from whom the Employer receives individual written authorization, signed by the employee, in a form agreed upon by the Union and the Employer, the Employer shall deduct from the wages of the employee the dues and initiation fee required as a condition of membership in the Union, or a representation fee, and shall forward such amount to the Union within thirty (30) calendar days after close of the pay period for which the deductions are made. The amounts deducted shall be set by the Union, and the Employer shall continue to retain a service charge of five cents (5¢) for making each such deduction.

Section 1.4 S.E.I.U. Cope:

The Union has established a political action committee which is called SEIU COPE. Union members may contribute voluntarily to this committee to support the political activities of the Union.

The Employer agrees to deduct the contribution amount established by the committee per pay period from the wage of employees who voluntarily authorize in writing such deductions. Such amounts shall be forwarded thirty (30) days after the close of the pay period for which the deductions are made.

Section 1.5 "Fair Share":

- A. The County shall grant "fair share" to the Union in accordance with Sections 6(e) -(g) of the Illinois Public Labor Relations Act upon satisfactory demonstration to the County that the Union has more than fifty percent (50%) of the eligible employees in the bargaining unit signed up as dues paying members. Once this condition has been met, all employees covered by this Agreement will within thirty (30) days of the Union meeting said condition or within thirty (30) days of their employment by the County either (1) become members of the Union and pay to the Union regular Union dues and fees, or (2) will pay to the Union each month their fair share of the Union's costs of the collective bargaining process, contract administration and pursuing matters affecting employee wages, hours, and other conditions of employment.
- B. Such fair share payment by non-members shall be deducted by the County from the earnings of the non-member employees and remitted to the Union, provided, however, that the Union shall certify to the County the amount constituting said fair share, not exceeding the dues uniformly required of members of the Union, and shall certify that said amount constitutes the non-members' proportionate share of the Union's costs of the collective bargaining process, contract administration and pursuing matters affecting employee wages, hours and other conditions of employment.
- C. Upon receipt of such certification, the County shall cooperate with the Union to ascertain the names of and addresses of all employee non-members of the Union from whose earnings the fair share payments shall be deducted and their work locations.
- D. Upon the Union's receipt of notice of an objection by a non-member to the fair share amount, the Union shall deposit in an escrow account, separate from all other Union funds, fifty percent (50%) of all fees being collected from non-union employees. The Union shall furnish objectors and the County with verification of the terms of the escrow arrangement and, upon request, the status of the fund as reported by the bank.

The escrow fund will be established and maintained by a reputable independent bank or trust company and the agreement therefore shall provide that the escrow accounts be interest bearing at the highest possible rate; that the escrowed funds be outside of the Union's control until the final disposition of the objection; and that the escrow fund will terminate and the fund therein be distributed by the terms of an ultimate award, determination, or judgment including any appeals or by the terms of a mutually agreeable settlement between the Union and an objector or group of objectors.
- E. If an ultimate decision in any proceeding under state or federal law directs that the amount of the fair share should be different than the amount fixed by the Union, the Union shall promptly adopt said determination and notify the County to change deductions from the earnings of non-members to said prescribed amount.

Section 1.6 Religion Exemption:

Employees who are members of a church or religious body having a bona fide religious tenet or teaching which prohibits the payment of a fair share contribution to a union shall be required to pay an amount equal to their fair share of Union dues, as described in Section 1.4, to a non-religious charitable organization mutually agreed upon by the Union and the affected employees as set forth in Section 6(g) of the Illinois Public Labor Relations Act.

Section 1.7 Indemnification:

The Union shall indemnify and save the County harmless against any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of any action taken by the County for the purpose of complying with any provisions of this Agreement. If an incorrect deduction is made, the Union shall refund any such amount directly to the involved employee, provided that the Employer has forwarded the check to the Union.

Section 1.8 Neutrality:

If the Union seeks to represent a group or groups of employees not covered by this Agreement, the Employer shall maintain a neutral position and shall not attempt to influence the decision of such employees with respect to Union representation. Representation shall be granted to the Union based upon voluntary procedures of the Illinois Public Labor Relations Act and Illinois Local/State Labor Relations Board.

ARTICLE II Employer Authority

Section 2.1 Employer Rights:

The Union recognizes that the Employer has the full authority and responsibility for directing its operations and determining policy. The Employer reserves unto itself all powers, rights, authority, duties and responsibilities conferred upon it and vested in it by the statutes of the State of Illinois, and to adopt and apply all rules, regulations and policies as it may deem necessary to carry out its statutory responsibilities; provided, however, that the Employer shall abide by and be limited only by the specific and express terms of this Agreement, to the extent permitted by law.

An Employee elected to the Executive Board of the Local during the term of this contract shall be granted time off or shall have his or her schedule adjusted to permit his/her participation in meetings or other affairs of this Local.

Section 2.2 Employer Obligation:

The Union recognizes that this Agreement does not empower the Employer to do anything that it is prohibited from doing by law.

Section 2.3 Integrity of the Bargaining Unit:

Non-bargaining unit employees shall not be permitted to perform bargaining unit work except in emergency situations, in training situations where a supervisor or management personnel is teaching or instructing an employee, or where bargaining unit members are unavailable through no fault of the employer to perform required work other than with normal absenteeism and vacations, or where circumstances exist which are out of the ordinary and beyond the control of the employer.

If non-bargaining unit employees repeatedly perform bargaining unit work, this issue shall immediately be grievable at the second step of the grievance procedure.

Section 2.4 Union and Employer Meetings:

For the purpose of conferring on matters of mutual interest which are not appropriate for consideration under the grievance procedure, the Union and Employer agree to meet on a quarterly basis through designated representatives at the request of either party and at mutually agreed upon times and locations. The Union and Employer shall each designate not more than eight (8) representatives to a labor-management committee for this purpose.

The Steward and the Building Custodian shall have monthly discussions regarding any concerns within their specific areas.

These discussions shall include, but not be limited to, the following areas:

1. Work Assignment Distribution
2. Distribution of Overtime
3. Provision of Proper Supplies and Cleaning Materials
4. Safety Issues

Section 2.5 Employee List:

The Employer agrees to furnish the Union with the name, address, city, state, zip code and work location of all new employees covered by this Agreement on a monthly basis.

Section 2.6 Union and County Meetings Respecting Health Care:

For the purpose of maintaining communications between labor and management in order to cooperatively discuss issues respecting health care coverage for all County employees, each Local Union, the County and members of bargaining units not covered by this Agreement shall meet quarterly through designated representatives. Each Local Union shall designate not more than one (1) representative to the Health Care/Management Committee. The County, through its Office of Risk Management, shall prepare and submit an agenda to the other parties at least one (1) week prior to the scheduled meeting, which agenda shall address, among other things, issues raised by each Local Union to the Office of Risk Management. The date and location for such meetings shall be established by the Office of Risk Management, taking into account the scheduling concerns of all County bargaining units.

ARTICLE III
Hours of Work and Overtime

Section 3.1 Purpose of Article:

The provisions of this Article are intended to provide the basis for calculating overtime pay, and shall not be construed as a guarantee of hours of work per day or days per week or pay in lieu thereof, or as a limitation upon the maximum hours per day or per week which may be required.

Section 3.2 Regular Work Periods:

The regular work day for a full-time employee shall consist of eight (8) consecutive hours of work within the twenty-four (24) hour period beginning at his/her scheduled starting time. The length of paid lunch periods presently granted by each department shall remain in effect. Employees shall be entitled to two (2) fifteen (15) minute breaks per shift.

Section 3.3 Compensatory Time and/or Overtime Compensation:

- A. Employees may be assigned to overtime work provided that such overtime shall be limited to either emergency conditions which cannot be deferred and which cannot be performed with the personnel available during normal work hours, or because of an abnormal peak load in the activities of the institution or department.
- B. Employees who are required to work overtime will be paid based on a forty (40) hour work week. At the employee's option, such compensation will be made in the form of compensatory time off or pay. Hours in pay status, with the exception of sick time shall count as time worked in computing overtime.

- C. Employees shall receive payment for overtime worked within thirty (30) days following the pay-period in which the employee worked the overtime. The Employer shall also allow the overtime check to be paid through direct deposit for those employees who choose direct deposit.
- D. Compensatory time may be used in time blocks of one (1) hour or more, at a time. Use of compensatory time will be granted provided a reasonable notice has been given and provided that the grant of time will not cause an unreasonable burden on the employer.

Section 3.4 Distribution of Overtime:

Employees will be expected to perform any reasonable amounts of overtime work assigned to them. The Employer will attempt to assign overtime work to the employees who are immediately available when the need for overtime occurs and who normally and customarily perform the work involved, except that in cases of emergency the Employer may assign the overtime work to any employees immediately available. It is the intention of the parties that overtime will be distributed equitably among the employees in the same job classification within a department or operating unit. In the event an employee for any reason does not receive a fair share of overtime, the employee shall not be entitled to payment for overtime not worked, but the Employer will, when the matter is called to its attention, give preference to such employee with respect to future overtime assignments for which he/she would be normally eligible until a reasonably fair balance in the overtime distribution is re-established. The Employer shall maintain such records as may be necessary to establish the overtime hours worked by each employee, such records shall be available for inspection by the Union.

Section 3.5 Docked Time:

The employer will not unilaterally deduct from an employee's sick, vacation, C/E, personal time or time due. Employee upon request shall receive an accounting of accumulated time to be deducted or docked from pay or its equivalent upon employee's choice. In no case shall dock time be allowed to accumulate for more than twelve (12) hours.

Section 3.6 Flex Time:

Requests by employees for flextime schedules may be granted if practicable to do so. The scheduling of flextime shall be by mutual arrangement between the employee and his/her supervisor. Flextime shall not be granted or denied in a discriminatory or arbitrary manner.

Section 3.7 Emergency Related Overtime:

If an employee covered by SEIU Local 73 agreement is called back to work after completion of the regularly scheduled shift, the employee shall receive a minimum of (3) hour's compensation at one and one-half times the employee's hourly pay.

ARTICLE IV Seniority

Section 4.1 Probationary Period:

After the date of this Agreement, the probationary period for a new employee, or an employee hired after a break in continuous service, shall be ninety (90) calendar days. The probationary period shall be extended for a period equal to the time required for any formal training program required of any probationary employees, and

the Union shall be consulted about the instituting of any such training program which extends the probationary period. A probationary employee shall have no seniority and may be terminated at any time during the probationary period for any just cause and shall have no recall rights or recourse to the grievance procedure with respect to any such discipline or discharge. Upon completion of the probationary period, the employee's seniority shall be computed as of the date of his/her most recent hire.

Section 4.2 Definition of Seniority:

For purposes of this Article, seniority is defined as an employee's length of most recent continuous employment with Cook County since his/her last hiring date as a full-time employee and as a regular part-time employee entitled to benefits pursuant to Article V, Section 4.4. Seniority for such regular part-time employees shall be prorated.

Section 4.3 Promotion and Transfer:

In cases of promotion and transfer, employees shall have first preference in order of their department seniority, provided that the employee has the ability and qualifications to perform the required work. In no case will transfers be assigned for disciplinary reasons.

All transfer opportunities must be posted. If no bargaining unit employee wants to accept the transfer, then the Employer may hire from the outside.

For the purpose of this Section, a transfer shall be defined as a shift or location change. Employees can bid for a transfer via job posting to a posted position. Transfers shall take precedence over applicants applying for promotions. Employees shall not be involuntarily transferred to another site, which can be filled by promotion or a voluntary lateral transfer. Department-wide seniority shall apply.

Section 4.4 Reduction in Work Force, Layoff and Recall:

Should the County determine that it is necessary to decrease the number of employees in a job classification within a department, the employees in the job classification shall be laid off in inverse order of seniority within the job classification within the Department provided, however, the retained employees have the ability and minimum qualifications to perform the required work. Where possible, surplus employees and the Union shall be given notice thereof at least thirty (30) prior to the effective date

To avoid layoff, each affected employee or Union Representative must notify the County within five (5) working days of receipt of written notification of the layoff that the employee intends to exercise his or her seniority by bumping in accordance with the following steps in sequential order:

1. Employees identified for layoff will be listed in order of seniority. Employees then will be allowed to exercise their rights under this section in order of seniority with the most senior employee acting first.
2. Employees subject to layoff shall be offered a vacant position as deemed available by the Office of Budget and Management Services in his/her current job classification in the SEIU bargaining unit under the Offices of the President provided they have the present ability and minimum qualifications to perform the required work.
3. If no vacancy exist, the affected employees will be allowed to bump a less senior employees within his/her current job classification throughout the Offices of the President.
4. In the event there is no employee with less seniority within the same job classification as the employee being laid off, that employee may bump the employee with the least seniority in the next

5. lower paid grade down within the department first provided the employee being laid off has more seniority than the employee being bumped and is minimally qualified to perform the job functions immediately with reasonable orientation. Employees who accept jobs in lower job classifications to avoid layoff shall be paid in accordance with Article V, Section 5.3C. of this collective bargaining agreement.

If there are no bumping opportunities in the next lower pay grade down for the employee identified for lay off, the employee then will continue to the following lower pay grades sequentially in the Offices under the President until a placement opportunity arises. If there is an available position in the next lower pay grade down from the employee who is exercising bumping rights, he/she must either accept the position or be laid off. No employee may forego a bumping opportunity to take a position in a lower pay grade. The bumping process for any employee will end when the first position is available for which the employee is qualified. The employee must accept that position or accept layoff.

All employees affected by the layoff must be present at the meetings. SEIU Local 73 is authorized to and will make a selection on behalf of any absent employee or any employee who otherwise is unable to attend the meeting.

An employee who is laid off as a result of this procedure shall be subject to recall in order of seniority before a new employee is hired in the job classification previously held by him or her at the time of the reduction in force. Employees shall have their salary restored to the applicable grade and step.

For the purposes of layoff, ties in seniority shall be broken by using the lower of the employees' Cook County Identification numbers.

Where possible, surplus employees and the Union shall be given notice thereof at least thirty (30) days prior to the effective date. Employees laid off as a result of this procedure shall be subject to recall in order of seniority before new employees are hired in the classifications held by them at the time of the reduction in force.

Section 4.5 Promotion and Shift Assignment:

Employees in the same job classification and in the same department, but on a different shift, where applicable, will first be given preferential consideration for a change in shifts in accordance with Section 4.3.

Employees in the same classification and department on a different or the same shift will first be awarded preferential consideration for a lateral transfer of locations.

Section 4.6 Return to Former Job:

An employee who has been promoted or transferred to another job within the represented unit may be returned to his/her former job or an equivalent position, within ninety (90) calendar days or before completion of a formal training program, if the employee does not demonstrate the ability and qualifications to satisfactorily perform the job to which promoted or transferred. An employee who has accepted another job within the represented unit may ask to return to his/her former job within ten (10) working days after commencing work on the new job. An employee who receives a new job under this procedure shall not be permitted to bid for another job for one (1) year thereafter, and an employee who returns to his/her former classification under this procedure will not be permitted to bid again on the same job for one (1) year thereafter.

Section 4.7 Return to Represented Unit:

An employee who has been promoted or transferred out of the represented unit, and who is later transferred back to the unit shall upon return to the represented unit be granted the seniority he/she would have had, had the employee continued to work in the classification from which he/she was promoted or transferred.

Section 4.8 Termination of Seniority:

An employee's seniority and employment relationship with the Employer shall terminate upon the occurrence of any of the following:

- (a) Resignation or retirement; or
- (b) Discharge for just cause, including but not limited to the following:
 - (c) Absence for three (3) consecutive work days without notification to the Department Head or a designee during such period of the reason for the absence, unless the employee has an explanation acceptable to the Employer for not furnishing such notification;
 - (d) Failure to report to work at the termination of a leave of absence or vacation, unless the employee has an explanation acceptable to the Employer for such failure to report for work;
 - (e) Absence from work because of layoff or any other reason for twelve (12) months in the case of an employee with less than one (1) year of service twenty four (24) months in the case of an employee with one (1) or more year of service, or thirty six (36) months in case of an employee with seven years or more of service when the absence began, except that this provision shall not apply in the case of an employee on an approved leave of absence, or absent from work because of illness or injury covered by duty disability or ordinary disability benefits.
 - (f) Failure to report for work upon recall from layoff within ten (10) work days after notice to report for work is sent by registered or certified mail or by telegram, to the employee's last address on file with the Department Personnel Office;
 - (g) Engaging in gainful employment while on an authorized leave of absence, unless permission to engage in such employment was granted in advance by the Department Head in writing.

Section 4.9 Transfer of Stewards:

Employees acting as Union stewards under Article XI, Section 11.6, of this Agreement shall not be transferred from their job classifications or department locations because of their activities on behalf of the Union. Any transfers of Union stewards from their job classifications or department's location, other than in an emergency, will be discussed with the Union at least five (5) days in advance of any such transfers.

Section 4.10 Seniority List:

December 1 and June 1 of each year, the Employer will furnish the Union a list showing the name, number, address, classification and last hiring date of each employee, and whether the employee is entitled to seniority or not. The Department shall post a similar list without employee addresses. Within thirty (30) calendar days after the date of posting, an employee must notify the Employer of any error in his/her last hiring date as it appears on that list or it will be considered correct and binding on the employee and the Union for that period of time. The Employer will furnish the Union monthly reports of any changes to such list. After furnishing any such list, an employee must notify the Employer of any error within ten (10) calendar days thereafter, or the information so furnished will be considered correct and binding on the employee and the Union until a subsequent list is furnished by the Employer as provided herein, provided that no changes in the hiring dates furnished in the original list will be permitted.

Upon written request made by Local 73 no more often than every sixty (60) days, the County shall notify Local 73 in writing of the following personnel transactions involving bargaining unit employees within each department and on a work location basis: new hires, promotions, demotions, check off revocations, layoffs, re-

employments, leaves, returns from leave, suspensions, discharges, terminations, retirements and Social Security numbers. Local 73 shall, upon request, receive such information on computer tapes, where available.

Section 4.11 Job Postings:

When job openings or vacancies occur within the bargaining unit in a particular department, or when new positions are created, the Department will post a notice on all bulletin boards where notices to employees are normally posted. These postings will be for a period of ten (10) working days.

**ARTICLE V
Rates of Pay**

Section 5.1 Job Classifications:

Employees in the job classifications set forth in Appendix A to this Agreement shall receive the salary provided for their respective grade and length of service in the job classification. Employees will be increased to the appropriate step upon completion of the required length of service in the classification.

The salary grades and steps applicable to this bargaining unit shall be increased as follows during the term of this agreement:

Effective the first full pay period on or after June 1, 2013 the pay rates for all classification shall be increased 1.00%

Effective the first full pay period on or after June 1, 2014 the pay rates for all classifications shall be increased 1.50%

Section 5.2 New, Changed or Misclassifications:

- A. During the term of this Agreement, the Employer may establish new and changed job classifications, and change the duties of existing job classifications, provided that a major alteration of the classification structure shall not be made. The Employer may put the new and changed job classifications or duties into effect after timely notice to the Union, and discuss and set the rate of pay with the Union, using the

duties, responsibilities, qualifications and grade levels of the classifications in Appendix A as a guide for determining the new rate. If the parties are unable to agree on the rate of pay, the Employer may put a rate into effect, and the Union, thereafter, may submit any dispute to the grievance procedure.

- B. An employee also may request that his/her position be reclassified, and the request will be reviewed by the employee's Department Head; if the Department Head agrees that the request is reasonable and/or justified, the Department Head will recommend to the reclassification be included in the forthcoming departmental budget request. The Employer will discuss any reclassifications with the Union prior to implementation.
- C. Within thirty (30) days after the effective date of this Agreement, the parties shall begin regular meetings of a joint committee that shall be established to discuss current job titles and pay grades of bargaining unit employees.

The committee shall begin meeting each year to review Local Union and employee-generated requests for upgrades and reclassifications. Such review shall include requests for individual desk audits, and sample desk audits to be applied to whole departments. The committee shall devote sufficient time in order to complete its discussions in a timely fashion. In any case, audits agreed upon shall be complete no later than June 1 of each year during this Agreement. During such process, there will be a free exchange of information and the parties will make reasonable attempts to review those requests which appear to have the most merit using objective and fair standards. After the review and analysis is completed, the County will submit the committee's findings to the appropriate departments and elected officials for their review. The decision as to whether to include any or all of the upgrades and reclassifications in budget requests shall be made using objective and fair standards.

Section 5.3 Classification and Grade Change:

If an employee is promoted, reclassified, demoted or transferred into another classification through the application of this Agreement, the following rules shall apply:

1. The new salary does not exceed the maximum established for the grade to which the employee is promoted.
2. The new salary is not below the first step established for the grade to which the employee is promoted.

If the new classification represents a promotion from a classification outside the represented unit to a classification within the represented unit, the employee shall be placed in the lowest step in the progression schedule for the new classification which will provide the employee an increase in pay. In all cases of promotion, the effective date will set a new anniversary date for the purposes of the salary schedule only.

B. Reclassifications:

1. An employee whose job is reclassified to a lower classification shall continue to receive compensation at the same rate received immediately prior to reclassification. Such action shall not change the employee's anniversary date.

If the salary rate received immediately prior to reclassification is less than the last step rate of the lower classification, the employee shall be entitled to further step advancement.

2. An employee whose job is reclassified to a higher classification shall be placed in the first step of the higher grade which provides an increase one (1) step above the salary received at the time of the reclassification. Such action will change the employee's anniversary date. In all cases of reclassification, the employee shall receive at least the first step of the grade to which the position is reclassified.

C. Demotions:

The following shall apply to demotions from one grade to another:

1. An employee performing the duties of a job continuously and demoted to a job in a lower salary grade, shall have the salary adjusted in the new job to the same step of the new salary grade as was received in the salary grade of the job from which demoted.
2. An employee promoted to a job in a higher salary grade and subsequently demoted to a job in a lower salary grade, shall have the salary adjusted to the step of the salary grade to which the employee would be entitled had the employee remained in the salary grade from which the employee was promoted.

D. Transfers:

An employee transferring from one department to another in the same job classification and/or grade shall be eligible to receive the salary the employee has been receiving at the time of transfer. Such appointment shall not set a new anniversary date. The Department may retain Employee applications for transfer for no more than six (6) months from the application date.

The Union will send copies of grievances appealed or submitted at Steps Two and Three to the County's Director, Department of Human Resources or his/her designee. It is recognized that because a joint employer relationship exists in this Agreement certain grievances are appropriately answered by the County's Bureau of Human Resources.

Section 11.3 Representation:

Only the aggrieved employee(s) and/or representatives of the union may present grievances. Employees may take up grievances through Steps One to Three either on their own and individually or with representation by the Union. A grievance relating to all or a substantial number of employees or to the Union's own interests or rights with the Employer may be initiated at Step Two by a Union representative.

Section 11.4 Grievance Procedure Steps:

The steps and time limits as provided in the Employer's Grievance Procedure are as follows:

There shall be strict adherence to the time limits described within the grievance procedure by employer and employee and/or Union. Time extensions may be granted upon mutual agreement and shall be in writing.

If the Employer fails to respond within the time limits, the grievant and/or the Union shall have the right to advance the grievance to the next step of the grievance procedure up to and including arbitration.

Section 11.6 Stewards:

The Union will advise the County in writing of the names of the Chief Stewards and/or Stewards in each department or area agreed upon with the County and shall notify the County promptly of any changes. Upon obtaining approval from their supervisor before leaving their work assignment or area, the Chief Steward or Steward or in cases of new Steward orientation, the Chief Steward and/or Steward will be permitted to handle and process grievances referred by employees at the appropriate steps of the grievance procedure during normal hours without loss of pay, provided that such activity shall not exceed a reasonable period of time.

Section 11.8 Impartial Arbitration:

If the Union is not satisfied with the Step Three answer, it may within thirty (30) days after receipt of the Step Three answer submit in writing notice that the grievance is to enter impartial arbitration. The parties will select an arbitrator from a permanent panel of arbitrators agreed upon by both parties. The Union and the County will make arrangements with the Arbitrator to hear and decide the grievance without unreasonable delay. The decision of the Arbitrator shall be binding. If the two (2) parties fail to reach agreement on an Arbitrator within ten (10) days, the County and Union may request the Local Labor Relations Board, American Arbitration Association or the Federal Mediation and Conciliation Service to provide a panel of arbitrators. Each of the two (2) parties will confer within seven (7) days of receipt of the panel to alternately strike one (1) name at a time from the panel until only one (1) shall remain. The remaining name shall be the Arbitrator. The Union and the County will make arrangements with the Arbitrator to hear and decide the grievance without unreasonable delay. The decision of the Arbitrator shall be binding.

Expenses for the Arbitrator's services and the expenses which are common to both parties to the arbitration shall be borne equally by the County and the Union. Each party to an arbitration proceeding shall be responsible for compensating its own representatives and witnesses.

The Arbitrator, in his/her opinion, shall not amend, modify, nullify, ignore or add to the provisions of this Agreement. The issue or issues to be decided will be limited to those presented to the Arbitrator in writing by the County and the Union. His/her decision must be based solely upon his interpretation of the meaning or application of the express relevant language of the Agreement.

If the designated arbitrator is not available to conduct a hearing within the thirty (30) calendar days and the parties do not otherwise agree to a longer period, the next panel member in the rotation shall be notified until an available arbitrator is obtained. I PURPOSE

The illegal manufacture, distribution, dispensing, sale, transfer, possession or use of drugs or controlled substances is prohibited by federal, state and local law. The Federal Drug-Free Workplace Act of 1988, Title 41, Sections 702-704 is applicable to Cook County Government as a grantee of federal funds. The Cook County Board of Commissioners has adopted a resolution that established a policy to maintain all county government workplaces as drug-free workplaces.

The Department recognizes that pervasive illegal drug use has become a national crisis. Drug use in the workplace poses enormous problems in the areas of public health and safety as well as substantial social and economic costs. The Department must play a key role in "The War on Drugs," not only in terms of its public responsibilities as a law enforcement agency, but also in terms of its responsibilities for employee health and well-being. It is imperative that all civilian employees have the physical stamina and psychological stability to promptly perform all required duties under conditions of duress and possibly even great danger.

The overriding purpose of the criminal justice system is to protect community safety through the apprehension, adjudication and incarceration of lawbreakers. Because of the enormous responsibilities of the Department, drug use by any Facilities Management personnel has a particularly devastating effect on all of law enforcement.

Drug use by civilian personnel could be nothing short of disastrous if it impacts on public safety and the ability of civilians to perform their duties. The purpose of this policy is to:

- A. Deter and eventually eliminate drug use by civilian employees.
- B. Promulgate department policy that prohibits the presence of either of the following in an employee's system:
 - 1. Illegal drugs and controlled substances or their metabolites.
 - 2. Legally prescribed drugs in excess of prescribed limits.
- C. Set forth policy and procedures governing random, mandatory and reasonable suspicion drug testing of all civilian employees.
- D. Achieve the goal of a safe, efficient and drug-free workplace through a fair, equitable, consistent, confidential and reasonable drug testing policy that ensures due consideration of the rights of employees as well as their privacy, integrity, reliability and dignity throughout the process for the protection of both employees and the public.
- E. Encourage civilian employees who have drug use problems to participate in the Employee Assistance Program or a drug rehabilitation program prior to detection via the Department's drug testing program.
- F. Provide for confidentiality of testing results.
- G. Decrease absenteeism, injuries on the job, liability and financial burden on employee health and benefit programs.

- H. Ensure the professional credibility, unimpeachable integrity and judgment of civilian employees by providing sanctions for prohibited off-duty conduct.
- I. Promote public confidence in the safety and integrity of all civilian personnel and ensure their fitness for duty.
- J. Discourage and deter any temptation to deviate from acceptable behavior by the implementation of a drug testing program and subsequent disciplinary sanctions that guarantee that the only acceptable course of conduct is complete abstinence from illegal drug and controlled substance use.
- K. Balance the interests of the Department, employees and the general public with a fair, confidential and accurate drug testing program.
- L. Recognize the Drug Testing Unit within the Sheriff's Office as a critical component of efforts to combat drug abuse in our society.
- M. Describe responsibilities and procedures relative to the Drug Testing Program.
- N. Institute the use of the Drug Testing Program Notification Form (RDT-92-100) and the Drug Screen Specimen Affidavit Form (RDT-92-101) for civilian personnel.

II POLICY STATEMENT

The Department recognizes that the vast majority of its civilian employees is not drug users and will not become drug users. A few are not drug-free, and some could possibly fall prey to the insidious spread of drug use, absent the strong preventive and deterrent effect of a drug testing program. This policy has not arisen from distrust, but rather from the desire to provide a better working environment.

It is imperative that all civilian employees possess the judgment, physical stamina and psychological stability and are capable of devoting constant and uninterrupted attention to the performance of all required duties without risk of harm to themselves, other employees or the public. As a result of its responsibilities, as well as the sensitive nature of its work, the Department has an obligation to eliminate illegal drug use from its workplace.

It is therefore the policy of the Department to take all reasonable measures to maintain a work environment free of the unlawful use of drugs or controlled substances and prevent an otherwise pervasive societal problem from invading civilian personnel.

- A. This policy applies to all civilian personnel of the Department of Facilities Management which includes exempt personnel. For the purposes of this policy and directive, civilian employees are defined as persons of any title who are not sworn.
- B. The terms "drug" or "controlled substance" include, but are not limited to, the following substances and their respective metabolites:
 - 1. Cannabis as defined in 720 Illinois Compiled Statutes 550/3 or as amended.

2. Controlled substances as defined in 720 Illinois Compiled Statutes 570/102 or as amended.
- C. The unlawful involvement with drugs; the presence in an employee's system of drugs or controlled substances or their metabolites; the use of cannabis or non-prescribed controlled substances; or the abuse of legally prescribed drugs or controlled substances by civilian employees of the Department, at any time, while on or off-duty, are strictly prohibited.
- D. Violations of this policy, substantiated by a confirmed positive drug test, will result in disciplinary action leading to the dismissal of a civilian employee.
- E. This policy does not apply to the use of controlled substances within the limits of a medically valid prescription except where such use is found to be an excessive or abusive use of prescribed controlled substances; legal drugs illegally obtained; multiple prescriptions for controlled substances from one or more physicians; or not in accordance with the "good faith" definition provided in 720 Illinois Compiled Statutes 570/102.
- F. All civilian employees of the Department shall be subject to urinalysis drug testing on a mandatory, random or reasonable suspicion basis. Employees selected for drug testing are required to cooperate fully in the testing process. The actions listed below, whether they occur during or after the collection or analysis of drug specimens, are violations of this policy. Any such action will be used as a basis for the initiation of a disciplinary action in accordance with Article II, Section D, of this directive.
1. Refusal to submit to testing.
 2. Failure to cooperate.
 3. Tampering or attempting to tamper with urine specimens.
 4. Adulteration of a test sample.
 5. Submission of or attempt to submit a false test sample.
 6. Any other activities designed to interfere with, impede or otherwise obstruct drug testing.
- G. "Reasonable suspicion" is defined as a belief based on objective facts sufficient to lead a reasonably prudent supervisor to find that a civilian employee is using, or has used, drugs in violation of this policy. The suspicion must be drawn from specific, objective, articulable facts and reasonable or rational inferences drawn from those facts in light of experience. The facts must lead the supervisor to believe that the employee's ability to perform the functions of the job is impaired, or that the employee's ability to perform his/her job safely is reduced.
1. Reasonable suspicion drug testing shall be conducted when a civilian employee has exhibited unusual work habits or behavioral traits and is incapable of

performing required duties and a manager or supervisor has furnished written documentation citing specific instances of reasonable and articulable suspicion that the employee is under the influence of drugs or has otherwise violated this policy.

2. Factors to be considered by command and supervisory personnel in determining whether a finding of reasonable suspicion is appropriate may include, but are not limited to, any of the following, alone or in combination:
 - a. Observable phenomena, such as direct observation of drug use and/or the physical symptoms or manifestations of being under the influence of drugs.
 - b. Abnormal conduct or erratic behavior while on-duty.
 - c. Excessive unexcused absenteeism, tardiness or deterioration in work performance.
 - d. Slurred speech or unsteady walking or movement.
 - e. Illegal possession of drugs or controlled substances or an arrest for violation of a drug statute.
 - f. Information obtained from reliable and credible sources with personal knowledge which has been independently corroborated.

H. In addition to random and reasonable suspicion drug testing, mandatory drug testing shall be conducted when a civilian employee:

1. Is appointed to an exempt position, subject to promotion to a career service rank, or is applying for assignment to certain specialized Department units;
2. Qualifies for an extra-departmental training program of more than two weeks duration;
3. Is returning to the Department after an absence of 15 days or more with the exception of vacation time, personal time, holiday and compensatory time due days. However if the reason for the absence is medical but other time earned is then used in the alternative the employee will be subject to testing.
4. Is involved in an accident involving a Department vehicle that results in a fatality or injury which demands immediate medical attention away from the scene of the accident or any property damage.

I. The provisions of this policy shall not prevent the Department from conducting medical screenings, with the express written consent of the employee, to monitor exposure to toxic or other unhealthy substances in the workplace or in the performance of their

responsibilities. Any such screenings shall be limited to the specific substances expressly identified in the employee consent form.

III MANAGEMENT RESPONSIBILITIES

Directors and supervisors are responsible for the reasonable enforcement of this policy.

- A. Supervisors shall request approval by the Department Head that a civilian employee be required to submit to a drug test when they have a reasonable suspicion that the employee is under the influence of drugs while on-duty or otherwise in violation of this order and policy.
- B. Any director or supervisor requesting that an employee be required to submit to a drug test must document, in writing, the facts constituting reasonable suspicion.
- C. A summarized copy of the written report, including the facts constituting reasonable suspicion, shall be furnished to the employee when the employee is ordered to submit to a reasonable suspicion drug test approved by the Department Head.
- D. Directors and supervisors encountering an employee who refuses an order to submit to a drug analysis upon direct order shall advise the employee of the requirements of this order and the disciplinary consequences of this policy.
- E. Employees reasonably believed to be under the influence of drugs or controlled substances shall be prevented from engaging in further work. Director and supervisory personnel shall arrange for the safe transportation of such employees from the workplace.

IV EMPLOYEE RESPONSIBILITIES

While the use of medically prescribed drugs is not per se a violation of this policy, failure by the employee to notify his/her supervisor, before beginning work, when taking prescribed drugs which could foreseeable interfere with the safe and effective performance of duties or operation of Department equipment can result in discipline.

In the event there is a question regarding an employee's ability to safely and effectively perform assigned duties while using prescribed drugs, clearance from a qualified physician shall be required. Each employee shall:

- A. Not report for duty when his/her ability to perform job duties is impaired due to on or off duty drug use.
- B. Notify the Department of his/her arrest for a violation of any criminal drug statute regulating the manufacture, distribution, dispensation, possession or use of a drug or controlled substance within 24 hours of such arrest.

- C. Promptly obey an order to submit to a drug testing procedure required by this order.

V CONFIDENTIALITY

All information, interviews, reports, statements, memoranda and test results, written or otherwise, received by the Department through the drug testing program are the property of the Department and are confidential communications. They shall not be used or received in evidence in any criminal proceeding against the employee, obtained in discovery, or disclosed in any public or private proceedings, except in accordance with the provisions of this order.

- A. Laboratory reports and test results shall not be placed in an employee's general personnel file, but shall be kept in a separate confidential medical folder that shall be securely kept under the control of the Drug Testing Unit. The Unit is authorized to release the contents of the confidential medical folder to the Department Head or Commander of Internal Investigations.
- B. Disclosure of a positive confirmed drug test result without employee consent is authorized when it is:
 - 1. Required in a disciplinary action.
 - 2. Compelled by law or by judicial or administrative process (providing that the employee is given timely written notice by the Department).
 - 3. The information is needed by medical personnel for the emergency diagnosis or treatment of the employee and the employee is unable to authorize disclosure.
- C. No physician-patient relationship is created between an employee and the Department or any person performing or evaluating a drug test, solely by the establishment, implementation or administration of the drug testing programs conducted in accordance with this order and policy.

VI TESTING LABORATORY CERTIFICATION

- A. The initial screening of urine specimens and confirmation testing of positive immunoassays required by this policy shall only be conducted by a licensed laboratory that meets the standards appropriate to the application of analytical forensic toxicology. The laboratory must conform to the guidelines of, and be certified to perform urine drug testing by, the Substance Abuse and Mental Health Services Administration (SAMHSA) and must be licensed by the U.S. Department of Health and Human Services (HHS).

The laboratory must meet the strict standards established in the Mandatory Guidelines for Federal Workplace Drug Testing Programs (53FR 11979, 11989) published on April 11, 1988, or as amended. The laboratory must have in its possession a letter of certification from HHS/SAMHSA and be listed in the Federal Register. In addition, the laboratory must be licensed and/or accredited by the U. S. Department of Health and Human Services Clinical Laboratory.

B. The laboratory contracted for the testing of specimens submitted in accordance with this order shall be required to provide for and employ the following policies, procedures and personnel:

1. Initial drug screening tests utilizing the EMIT or equally reliable method.
2. Confirmation testing utilizing the Gas Chromatography /Mass Spectrometry (GC/MS) method.
3. Rigorous chain of custody procedures for collection of specimens and for handling specimens during testing and storage.
4. Stringent standards for making the drug testing site secure, for restricting access to all but authorized personnel and providing an escort for any others who are authorized to be on the premises.
5. Precise requirements for quality assurance and performance testing specific to urine specimens for the presence of controlled substances or illegal drugs and their metabolites.
6. Specific educational and experience requirements for laboratory personnel to ensure their competence and credibility as experts on forensic urine drug testing, particularly to qualify them as witnesses in legal proceedings which challenge the finding of the laboratory.

VII DRUG TESTING UNIT

The Administrator of the Drug Testing Unit shall be responsible for the operation of the drug program established by this policy in accordance with the Mandatory Guidelines in Article VI, of this policy and shall also be responsible for:

- A. Assuring that privacy intrusions are minimized during the collection of urine specimens and that specimens are stored and transported to testing laboratories under such conditions that the quality of the specimens shall not be jeopardized.
- B. Ensuring that the identities of employees whose tests show positive for the presence of a drug or controlled substance are limited to the Department Head or the Commander of Internal Investigations.
- C. Ensuring the use of a computer generated program to select employees for random drug testing.
- D. Assuring rigorous chain-of-custody procedures for the collection, handling and proper documentation of test specimens during testing and storage.
- E. Ensuring the generation of the random selection listing of personnel to identify employees who are to be directed to submit to drug testing on particular dates and shifts.

- F. Ensuring the notification of the directors and supervisors of each employee to be tested.
- G. Maintaining standard operating procedures to ensure the efficient operation and integrity of the Drug Testing Program.
- H. Coordination and liaison with the certified testing laboratory contracted by the Department.
- I. Evaluating the program and collecting and compiling anonymous statistical data including, but not limited to, reporting the number of:
 - 1. Random, reasonable suspicion and mandatory tests.
 - 2. Verified positive test results.
 - 3. Disciplinary actions initiated as a result of confirmed positive test results and other violations of this policy.
- J. Assisting in developing employee drug education and prevention programs.

VIII RANDOM DRUG TESTING SELECTION PROCEDURES

- A. The random selection of employees to be tested shall be based on a computer generated listing which shall ensure that there are no "safe periods" for any civilian employee. Each workday shall present every affected employee with a new opportunity of being required to submit to the random testing program, with a substantially equal statistical chance for all employees each new day, regardless of samples previously submitted. The selection process shall employ objective, neutral criteria and shall not permit subjective factors to play a role in the methodology.
- B. The number of random tests to be performed in any year shall be determined by a formula based on testing twenty (20) per cent of civilian employees who are in the common selection pool.
- C. The collection of specimens for random testing shall be evenly distributed throughout the year. The number of specimens collected weekly, monthly or quarterly shall remain relatively constant.
- D. Random testing shall be conducted on different days of the week throughout the annual cycle to prevent employees from anticipating patterns in collection schedules.
- E. The computerized random selection listing shall be generated from the common selection pool of all civilian employees utilizing a confidential identification number uniquely assigned to each individual employee. The association with and identification of the employee's name shall be known only to the Administrator or designee of the Drug Testing Unit until such a time as the daily selection for testing list is prepared for notification.

IX EMPLOYEE NOTIFICATION PROCEDURES

When a director or supervisor receives notification from the Drug Testing Unit, he/she shall prepare a Drug Testing Notification Form (RDT-92-100) in triplicate and read and explain the contents of the form to the affected employee. The Drug Testing Notification Form shall be distributed as follows:

- A. Original to the affected employee for presentation at the Drug Testing Unit for its retention.
- B. Second copy shall be retained by the affected employee.
- C. Third copy shall be retained by the director or supervisor of the affected employee in the unit of assignment or detail for 30 days. •

The director/supervisor of an affected employee, when notified that the employee is leaving the unit of assignment to submit the required specimen, shall immediately contact and inform the Drug Testing Unit that the employee is en route to the testing site.

X DUTIES OF EMPLOYEES SELECTED FOR DRUG TESTING

A civilian employee who is selected to be tested shall fully cooperate in the completion of all phases of the testing process and shall adhere to the following procedures:

- A. Upon notification that he/she has been selected for drug testing, the employee shall be required to report to the Drug Testing Unit office site before the conclusion of his/her tour of duty on which the notification was received.

The civilian employee shall then immediately proceed to the Drug Testing Unit office site. Affected personnel shall report in accordance with the following schedule:

- 1. First shift personnel shall report no earlier than 0500 hours and no later than 0800 hours.
 - 2. Second shift personnel shall report no earlier than 0800 hours and no later than 1400 hours.
 - 3. Third shift personnel shall report no earlier than 1400 hours and no later than 2000 hours.
- B. Upon arrival at the Drug Testing Unit office, employees shall identify themselves, present their photo identification card and the original Drug Testing Program Notification Form.
 - C. Answer all pre-test questions relating to their medical history regarding the use of any/all prescribed drug(s).

- D. Upon completion of the specimen collection process, the employee shall immediately return to duty status.
- E. be considered completed until he/she has submitted the required urine specimen. An affected employee's tour of duty shall not.

XI TEST RESULT PROCEDURES

- A. Confirmation and reporting of test results.
 - 1. All employees shall be notified, in writing, of the results of their drug screening test, whether negative or positive.
 - 2. A drug screening specimen that initially yields a positive result shall be tested a second time using a gas chromatography/mass spectrometry (GC/MS) test.
 - 3. If the second test (GC/MS) confirms the initial positive test result, the employee shall be notified of the results in writing. The notification shall identify the particular drug(s) or controlled substance(s) or their metabolites and shall specify the concentration level.
 - 4. An employee whose confirmation test as specified in paragraph 3, is deemed positive may, at the employee's own expense, have additional testing conducted on the original test sample. The employee shall have forty-eight (48) hours to notify the Drug Testing Unit, in writing, that he/she intends to have the confirmation verified by a laboratory of his/her own choice. The laboratory must be certified by the Federal Department of Health and Human Services (HHS) Substance Abuse and Mental Health Services Administration (SAMSHA).
 - 5. Any employee who is the subject of a drug test that results in a positive confirmed test shall, upon written request, have access to any test or laboratory records relating to his or her drug test.
 - 6. Confirmed positive test specimens shall be delivered to the laboratory of the employee's choice by the laboratory that performed the test for the Department. The original laboratory shall be responsible for the transfer of the portion of the specimen to be retested and for the integrity of the chain of custody during such transfer.
 - 7. Quantitation for a retest is not subject to a specific cutoff level requirement, but must provide data sufficient to confirm the presence of the drug or metabolite. Because some analytes may deteriorate or are lost during storage, detected levels of the drug below the detection limits established by this policy, but equal or greater than the established sensitivity of the assay must, as technically appropriate, be reported and considered corroborative of the original positive results.

8. An original copy of the results of the retest conducted by the employee's chosen laboratory shall be delivered to the Drug Test Unit within ten (10) calendar days from the date the specimen was delivered to the employee's selected laboratory by the Department laboratory.
 9. If the HHS certified laboratory selected by the employee disputes the positive finding(s) of the laboratory utilized by the Department within the time allotted, using the same testing procedures used by the original laboratory, then no further action shall be taken against the employee. If the retest result is negative, the Department shall reimburse the employee for the expenses incurred for the retest; such reimbursement shall be limited to the current cost to the Department for GC/MS confirmation testing.
 10. If the laboratory selected by the employee fails to dispute the positive finding(s) within the allotted time, or if the employee fails or refuses to elect the confirmatory testing procedure within the time or in the manner prescribed herein, the Drug Testing Unit will proceed with the preliminary investigation previously initiated as a result of the initial confirmation finding of the original laboratory.
- B. Upon receipt of notification of a positive test result, the Administrator or designee of the Drug Testing Unit shall:
1. Notify the Department Head or the Commander of Internal Affairs to instruct the employee to furnish documentation relating to the use of any legally prescribed drugs (e.g., patient maintenance report and/or prescribing physician's statement, etc.).
 2. When necessary, initiate a preliminary investigation to determine the validity of the employee's statement and evidence provided in support of a claim that he/she is presently taking prescribed drugs.
 - a. If the preliminary investigation reveals that the drugs have been legally prescribed and are being consumed at a therapeutic level in accordance with prescription directions, no further action shall be taken.
 - b. In all other instance, the Department Head or the Commander of the Internal Investigation Section shall be notified when the confirmed test results indicate positive evidence of drug usage by the employee. No action shall be taken as the result of a positive test result solely on the basis of an initial screening test procedure.

XII SEARCHES FOR ILLEGAL DRUGS

In the course of investigations related to this policy, investigative personnel may conduct searches of Department-owned property including, but not limited to lockers, desks, briefcases, toolboxes, offices, vehicles, etc. Searches of Department owned property may occur on or off Department premises.

In the course of an investigation under this policy where reasonable grounds exist either by testing positive for substances provided for in this policy or by being arrested for a violation of the Illinois Controlled Substance Act or the Cannabis Control Act. Searches of employee owned property may only occur on Department premises or in Department owned vehicles. By accepting employment with, or performing services for the Department, all employees are deemed to have consented to such searches and no further consent shall be necessary.

XIII EMPLOYEE ASSISTANCE PROGRAM

The Department fully supports the Employee Assistance Program (EAP) and encourages employees who are using illegal or unauthorized drugs or controlled substances to seek the confidential services of the Program. The EAP plays an important role by providing employees an opportunity to eliminate the use of illegal drugs or controlled substances. Referrals can be made to appropriate treatment and rehabilitative facilities who shall follow-up with individuals during their rehabilitation period to track their progress and encourage successful completion of the program. Enrollment in, or current participation in, an EAP or other rehabilitation program will not excuse an employee from drug testing programs initiated by this policy and order; nor shall such participation preclude disciplinary action against an employee who tests positive for drug use during the course of any testing procedure required by this order.

XIV CONFLICT RESOLUTION AND INCLUSION OF APPENDIX

- A. This policy supersedes and takes precedence over any existing orders or directives. Any conflict between these policies shall be resolved in favor of this policy.
- B. The appendix referred to or cited in the policy is part of this policy and shall have the same force and effect as any other part of the policy.

XV DISCIPLINARY ACTION

Violations of this policy, substantiated by a confirmed positive drug test, will result in disciplinary action leading to the dismissal of a civilian employee.

XVI SAVINGS CLAUSE

If any provision of this policy or any application thereof should be rendered or declared unlawful, invalid or unenforceable by virtue of any judicial action, or by any existing or subsequently enacted Federal or State legislation or any other competent authority, such legislation or finding shall not affect the enforceability of any other provisions of this policy which shall remain in full force and effect.

ARTICLE 100 - GENERAL

101 APPLICABILITY

- A. These mandatory guidelines apply to all drug testing procedures conducted by this Department.
- B. Only laboratories certified under the standards established by the U.S. Department of Health and Human Services (HHS) are authorized to perform urine drug testing for the Department.

102 DEFINITIONS

For the purposes of these Guidelines the following definitions are adopted:

Administrator:	The person responsible for the supervision of the Drug Testing Unit and collection site operations.
Aliquot:	A portion of a urine specimen used for testing purposes.
Chain of Custody:	Procedures to account for the integrity of each urine specimen by tracking its handling and storage from the point of specimen collection to final disposition of the specimen. These procedures shall require that an approved chain of custody form be used from time of collection to receipt by the laboratory and that upon receipt by the laboratory an appropriate laboratory chain of custody form(s) account for the sample or sample aliquots within the laboratory. Chain of custody forms shall, at a minimum, include an entry documenting date and purpose of each time a specimen or aliquot is handled or transferred and identifying every individual in the chain of custody.
Collection Site:	A place designated by the Department where individuals present themselves for the purpose of providing a specimen of their urine to be analyzed for the presence of drugs or their metabolites.
Collection Site Person:	A person who instructs and assists individuals at a collection site receives and makes initial examination of the urine specimen provided by those individuals. A collection site person shall have successfully completed training to carry out this function.

Confirmatory Test:	A second analytical procedure to identify the presence of specific drugs, controlled substances or their respective metabolites that is independent of the initial test and which uses a different technique and chemical principle from that of the initial test in order to ensure reliability and accuracy. (At this time, gas chromatography/mass spectrometry (GC/MS) is the only authorized confirmation method).
Initial Test:	(also known as Screening Test): An immunoassay screen to eliminate "negative" urine samples for further testing or consideration.
Permanent Record Book:	A permanently bound book in which identifying data on each specimen collected at a collection site is permanently recorded in the sequence of collection.
Reason to Believe:	Reason to believe that a particular individual may alter or substitute the urine specimen.

103 FUTURE REVISIONS

In order to ensure the full reliability and accuracy of initial and confirmation drug tests, the accurate reporting of test results, and the integrity and efficacy of testing programs, the Department may make changes in these Guidelines to reflect improvements in the available science and technology. These changes will be discussed with the affected employees Union prior to implementation and will be published as adopted from time to time.

ARTICLE 200 - SCIENTIFIC AND TECHNICAL REQUIREMENTS

201 THE DRUGS

- A. Department policy and directives define "drugs" and "controlled substances" as those substances and their respective metabolites, including but not limited to, cannabis as defined in 720, Illinois Compiled Statutes 550/3 and controlled substances. It does not include drugs used pursuant to a valid prescription or when used as otherwise authorized by law. While this definition encompasses many drugs, it is not feasible to test routinely for all of them. Department drug testing programs shall test for drugs as follows:
1. Random drug testing programs shall at a minimum test for marijuana and cocaine.
 2. Drug testing programs are also authorized to test for opiates, amphetamines, phencyclidine or any drug as defined in 201 (a) of these guidelines

- B. Urine specimens collected pursuant to the policies and directives of the Department shall be used only to test for those drugs included in these Guidelines and may not be used to conduct any other analysis or test unless otherwise authorized by law.
- C. These Guidelines are not intended to limit additional categories of drugs in the drug testing of civilian employees.

202 SPECIMEN COLLECTION PROCEDURES

- A. Designation of Collection Site: The drug testing program shall have one or more designated collection sites which have all necessary personnel, materials, equipment, facilities, and supervision to provide for the collection, security, temporary storage, and shipping or transportation of urine specimens to a certified drug testing laboratory.
- B. Security: Procedures shall be provided for the designated collection site to be secure. If a collection site facility is dedicated solely to urine collection, it shall be secure at all times. If a facility cannot be dedicated solely to drug testing, the portion of the facility use for testing shall be secured during drug testing.
- C. Chain of Custody: Chain of custody standardized forms shall be properly executed by authorized collection site personnel upon receipt of specimens handling and transportation of urine specimens from one authorized individual or place to another shall always be accomplished through chain of custody procedures. Every effort shall be made to minimize the number of persons handling specimens.
- D. Access to Authorized Personnel Only: No unauthorized personnel shall be permitted in any part of the designated collection site when urine specimens are collected or stored. With the exception of personnel authorized to conduct inspections, all authorized visitors and maintenance and service personnel shall be escorted at all times. Documentation of individuals accessing these areas, dates, and time of entry and purpose of entry must be maintained.
- E. Privacy: Procedures for collecting urine specimens shall allow individual privacy unless there is reason to believe that a particular individual may alter or substitute the specimen to be provided.
- F. Integrity and Identity of Specimen: Collection site personnel shall take precautions to ensure that a urine specimen not be adulterated or diluted during the collection procedure and that information on the urine bottle and in the record book can identify the individual from whom the specimen was collected. The following minimum precautions shall be taken to ensure that unadulterated specimens are obtained and correctly identified:
 - 1. To deter the dilution of specimens at the collection site, toilet bluing agents shall be placed in toilet tanks wherever possible so the reservoir of

water in the toilet bowl always remains blue. There shall be no other source of water (e.g., no shower or sink) in the enclosure where urination occurs.

2. When an individual arrives at the collection site, the collection site person shall request the individual to present photo identification. If the individual does not have proper photo identification, the collection site person shall contact the supervisor of the individual, the coordinator of the drug testing program, or any other official who can positively identify the individual. If the individual's identity cannot be established, the collection site person shall not proceed with the collection. Individuals may also be required to furnish fingerprints for recording and establishing positive identification.
3. If the individual fails to arrive at the assigned time, the collection site person shall contact the appropriate authority to obtain guidance on the action to be taken.
4. The collection site person shall ask the individual to remove any unnecessary outer garments such as a coat or jacket that might conceal items or substances that could be used to tamper with or adulterate the individual's urine specimen. The collection site person shall ensure that all personal belongings such as a purse or briefcase remain with the outer garments. The individual may retain his or her wallet.
5. The individual shall be instructed to wash and dry his or her hands prior to urination.
6. After washing hands, the individual shall remain in the presence of the collection site person and shall not have access to any water fountain, faucet, and soap dispenser, cleaning agent or any other materials which could be used to adulterate the specimen.
7. The individual may provide his/her specimen in the privacy of a stall or otherwise partitioned area that allows for individual privacy.
8. The collection site person shall note any unusual behavior or appearance in the permanent record book.
9. In the exceptional event that a Department collection site is not accessible and there is an immediate requirement for specimen collection (e.g., an accident investigation), a public rest room maybe used according to the following procedures: A collection site person of the same gender as the individual shall accompany the individual into the public rest room which shall be made secure during the collection procedure. If possible, a toilet bluing agent shall be placed in the bowl and any accessible toilet tank. The collection site person shall remain in the rest room, but outside the stall until the specimen is collected. If no bluing agent is available to deter

specimen dilution, the collection site person shall instruct the individual not to flush the toilet until the specimen is delivered to the collection site person. After the collection site person has possession of the specimen, the individual will be instructed to flush the toilet and to participate with the collection site person in completing the chain of custody procedures.

10. Upon receiving the specimen from the individual, the collection site person shall determine that it contains at least 60 milliliters of urine. If there is less than 60 milliliters of urine in the container, the specimen will be discarded and a notation regarding the insufficient amount of specimen collected will be documented on the affidavit form. The donor will be required to provide another specimen in the amount of 60 milliliters in a different specimen collection container. The individual may be given a reasonable amount of liquid to drink for this purpose (e.g., a glass of water). If the individual fails for any reason to provide 60 milliliters of urine, the collection site person shall contact the appropriate authority to obtain guidance on the action to be taken.
11. After the specimen has been provided and submitted to the collection site person, the individual shall be allowed to wash his or her hands.
12. Immediately after the specimen is collected, the collection site person shall measure the temperature of the specimen. The temperature measuring device used must accurately reflect the temperature of the specimen and not contaminate the specimen. The time from urination to temperature measurement is critical and in no case shall exceed four (4) minutes.
13. If the temperature of a specimen is outside the range of 32.5-37.7 degrees centigrade or 90.5-99.8 degrees Fahrenheit, and there is reason to believe that the individual may have altered or substituted the specimen, and another specimen shall be collected under the direct observation of a same gender collection site person and both specimens shall be forwarded to the laboratory for testing. An individual may volunteer to have his or her oral temperature taken to provide evidence to counter the reason to believe the individual may have altered or substituted the specimen caused by the specimen's temperature falling outside the prescribed range.
14. Immediately after the specimen is collected, the collection site person shall also inspect the specimen to determine its color and look for any signs of contaminants. Any unusual findings will be noted in the permanent record book.
15. All specimens suspected of being adulterated shall be forwarded to the laboratory for testing.

16. Whenever there is reason to believe that a particular individual may alter or substitute the specimen to be provided, a second specimen shall be obtained as soon as possible under the direct observation of a same gender collection site person.
17. Both the individual being tested and the collection site person shall keep the specimen in view at all times prior to its being sealed and labeled. If the specimen is transferred to a second bottle, the collection site person shall require the individual to observe the transfer of the specimen and the placement of the tamper proof seal over the bottle cap and down the sides of the bottle.
18. The collection site person and the individual shall be present at the same time during procedures outlined in paragraphs (f) (19) - (f) (22) of this section.
19. The collection site person shall place securely on the bottle an identification label which contains the date, the individual's specimen number, and any other identifying information provided or required.
20. The individual shall initial the identification label on the specimen bottle for the purpose of certifying that it is the specimen collected from him or her.
21. The collection site person shall enter in the permanent record book all information identifying the specimen. The collection site person shall sign the permanent record book next to the identifying information.
22. The individual shall be required to read and sign a statement in the permanent record book certifying that the specimen identified as having been collected from him or her is in fact the specimen he or she provided.
23. A higher level supervisor shall review and concur in advance with any decision by a collection site person to obtain a specimen under the direct observation of a same gender collection site person based on a reason to believe that the individual may alter or substitute the specimen to be provided.
24. The collection site person shall complete the chain of custody form.
25. The urine specimen and chain of custody form are now ready for shipment or pickup. If the specimen is not immediately prepared for shipment, it shall be appropriately safeguarded during temporary storage.
26. While any part of the above chain of custody is being performed, it is essential that the urine specimen and custody documents be under the control of the involved collection site person. If the involved collection site person leaves his or her work station momentarily, the specimen and

custody form shall be taken with him or her or be secured. After the collection site person returns to the work station, the custody process will continue. If the collection site person is leaving for an extended period of time, the specimen shall be packaged for shipment before he or she leaves the site.

- G. Collection Control: To the maximum extent possible, collection site personnel shall keep the individual's specimen within sight both before and after the individual has urinated. After the specimen is collected, it shall be properly sealed and labeled. An approved chain of custody form shall be used for maintaining control and accountability of each specimen from the point of collection to final disposition of the specimen. Every effort shall be made to minimize the number of persons handling specimens.
- H. Transportation to Laboratory: Collection site personnel shall arrange to ship the collected specimens to the drug testing laboratory. The specimens shall be placed in containers designed to minimize the possibility of damage during shipment, for example, specimen boxes or padded mailers; and those containers shall be securely sealed to eliminate the possibility of undetected tampering. On the tape sealing the container, the collection site person shall sign and enter the date specimens were sealed in the containers for shipment. The collection site personnel shall ensure that the chain of custody documentation is attached to each container sealed for shipment to the drug testing laboratory.

203 SHORT AND LONG TERM SPECIMEN STORAGE

- A. Short-Term Refrigerated Storage: Specimens shall be placed in secure refrigeration units. Temperatures shall not exceed six (6) degrees centigrade. Emergency power equipment shall be available in case of prolonged power failure.
- B. Long-Term Refrigerated Storage: Long-term frozen storage (-20 degrees centigrade or less) ensures that positive urine specimens will be available for any necessary retest during administrative or disciplinary proceedings. Unless otherwise authorized in writing by higher authority, collection sites and/or drug testing laboratories shall retain and place in properly secured long-term frozen storage for a minimum of one (1) year all specimens confirmed positive. Within this one (1) year period, the Department may request the laboratory to retain the specimen for an additional period of time, but if no such request is made, the laboratory may discard the specimen after the end of one (1) year period, except that the laboratory shall be required to maintain any specimens under legal challenge for an indefinite period of time.

204 TEST LEVELS

- A. Initial Test Level: The initial test shall use an immunoassay which meets the requirements of the Food and Drug Administration for commercial distribution.

The following initial cutoff levels shall be used when screening specimens to determine whether they are negative for these drugs or classes of drugs.

- B. **Confirmatory Test Levels:** All specimens identified as positive on the initial test shall be confirmed using gas chromatography/mass spectrometry (GC/MS) techniques at the cutoff values listed in this section for each drug. All confirmations shall be by quantitative analysis. Concentrations which exceed the linear region of the standard curve shall be documented in the laboratory record as "greater than highest standard curve value."

	Initial test level (ng/ml)	Confirmatory test level (ng/ml)
Amphetamine	1000	500
Cocaine ¹	300	150
Benzodiazepines	300	200
Methaqualone	300	200
THC (Cannabinoids) ²	20	15
Barbiturates	300	200
Methadone	300	200
Phencyclidine (PCP)	25	25
Opiates ³	2000	2000
Propoxyphene	300	200

¹ Benzoyllecgonine

² Delta-9-tetrahydrocannabinol-9-carboxylic acid

³ 25ng/ml if immunoassay specific for free morphine

- C. **Test Level Revisions:** The test levels listed in this section are subject to change by the Department as advances in technology or other considerations warrant identification of these substances at other concentrations. Any changes in these test levels will be published in a timely fashion.

204 REPORTING TEST RESULTS

- A. The laboratory shall report test results to the Administrator or designee of the Drug Testing Unit within an average of five (5) working days after the receipt of the specimen by the laboratory. Before any test result is reported (the results of initial tests, confirmatory tests, or quality control data), it shall be reviewed and the test certified as an accurate report by the responsible individual. The report shall identify the drugs/metabolites tested for, whether positive or negative, and the cut off for each, the specimen number assigned by the Department, and the drug testing laboratory specimen identification number. The results (positive and negative) for all specimens submitted at the same time to the laboratory shall be reported back to the Administrator or designee at the same time.

- B. The testing laboratory shall report as negative all specimens which are negative on the initial test or negative on the confirmatory test. Only specimens confirmed positive shall be reported positive for a specific drug.
- C. The Administrator or designee may request from the laboratory and the laboratory shall provide quantitation of test results.
- D. The laboratory may transmit results to the Administrator or designee by various electronic means (e.g., computer, teleprinters, or facsimile) in a manner designed to ensure confidentiality of the information. Results may not be provided verbally by telephone. The laboratory must ensure the security of the data transmission and limit access to any data transmission, storage, and retrieval systems.
- E. The laboratory shall send only to the Administrator or designee a final drug test report with the name of the individual responsible for attesting to the validity of the test result.
- F. Unless otherwise directed by the Department or the Administrator in writing, all records pertaining to a given urine specimen shall be retained by the drug testing laboratory for a minimum of two (2) years.
- G. The drug testing laboratory shall never be furnished with the name of the individual to whom a particular drug specimen is associated with. The only exception to this rule will be in those cases in which the individual is the subject of a hearing for disciplinary action as a result of a confirmed positive drug test which will require the testimony of laboratory personnel. The confidentiality provision of the Department's policy and current written directives will take precedence over this section of the guidelines. Cook County Benefit Overview
